

Community Gathering Online

Sunday, July 19, 2020 - 1:00pm

At 1pm, we will meet over Zoom for our first Community Gathering.

Our first half hour will be a summary of the proposals people in the anti-racism break-out group made, including time to ask some (brief) questions or make (brief) comments. We are planning a longer meeting to discuss the whole idea of a corporate mission of 8th Day on racism.

After this, we will hear Gail Arnall's Spiritual Autobiography. We will include a time to ask questions, and respond to her story. This is a ritual of Church of the Saviour which I treasure. We are really on sacred ground when we hear a person's spiritual journey.

Zoom link for this meeting is the same link as the 10 am worship time.
